## THE BOOKING OF YOUR STAY

---

- **How to book?**

The booking of your stay at Chalet des Neiges can either be made by sending an email on [info@chaletdesneiges.com](mailto:info@chaletdesneiges.com), or by contacting the booking department over the phone, on +33 (0)4 79 390 290. You also have the possibility to book directly online through our website [www.chaletdesneiges.com](http://www.chaletdesneiges.com), by clicking on the tab "BOOK".

By visiting our website, you will also be able to follow the offers and discounts provided by Chalet des Neiges throughout the year, and therefore book your stay at the best price, according to your needs.

- **Payment of your stay**

At the moment of the booking, a 25% deposit of the total amount will be required to confirm the reservation. The remaining balance of your stay should be paid 30 or 45 days prior your arrival (including the services added thereafter, such as ski passes, ski lessons, parking spaces...). Therefore, all the services booked will have to be paid before your arrival, and the services added after the payment of the balance of your stay will have to be paid straight away. For some special offers, the total amount of your stay could be required on reservation.

Credit cards (Visa and Mastercard), and bank transfers are the means of payment accepted for the payment of the deposit or of the balance of your stay. We do not accept American Express credit cards. You have the possibility to pay the balance of your stay with different credit cards (when several families/friends are staying in the same apartment and each one wishes to pay his share).

A reminder email will automatically be sent to you to remind you of the date by which you must pay the balance of your stay. You will then need to log in to your customer area to make this payment.

- **Requests concerning the apartment**

At the moment of the booking, you will be able to mention your wishes in terms of exposure, view, and location of the apartment, where you will be accommodated during your stay. We will indicate your preferences in your booking but we would like to draw your attention on the fact that we cannot guarantee the assignment of an apartment which complies with all your wishes. The assignment of the apartments is done a few days before your arrival by the manager of the Residence, who will take into consideration the requirements of all our customers. He will do his best

to satisfy your demand, according to our possibilities, and taking into account the constraints of our residences.

- **Rental conditions**

The rate of the apartment's rental includes the apartment's rental, bed linen, towels, beds made at your arrival (except for short stays, during winter only), water, electricity, heating, TV, telephone direct dial (calls excluded), and all the taxes (except the tourist tax, which will have to be paid at your arrival, on site). The booking of your stay also includes free and unlimited access (during opening hours) to the facilities available in each residence (sauna, fitness room).

For each booking file, there are €35 of booking fees which are not included in the price of the apartment.

A deposit of €500 to €1000 per apartment will have to be given at check-in time. It will have to be paid by bank card imprint only. This deposit will be given back to you on the day of your departure, if no damage and no breach of contract are recorded (missing or broken object, final cleaning not done or insufficient, loss of keys...).

- **Cancellation insurance**

Chalet des Neiges gives you the possibility to subscribe a €86 optional cancellation insurance. If you decide to subscribe this cancellation insurance, we will not have the possibility to suppress it thereafter. We will require the first names, family names and dates of birth of all the participants, who will be thus covered by this insurance.

The cancellation insurance guarantees the cancellation of your stay for any justified reason (disease, accident, death, lack of snow), before or during your stay. It includes especially the ski passes' and ski lessons' refund in case of cancellation of your stay, the ski equipment breaking, the third-party liability insurance. Please contact the booking department in order to get the specific and contractual conditions of cancellation.

- **Cancellation of your stay**

Any cancellation of a stay at Chalet des Neiges will generate a €75 cancellation fee, per apartment and per week. The cancellation will have to be notified by registered post with recorded delivery, or by email, and the date of reception will determine the date of cancellation. If your cancellation is notified more than 30 days before your arrival, the cancellation fee will be €75. If you have booked your stay under "classic conditions" (excluding special offers), and your cancellation occurs more than 30 days before your arrival, the cancellation fee will be €75. If you cancel between 30 and 15 days before your arrival, the

costs will be 50% of the price of the stay, if you cancel 14 days or less than before your arrival, the costs will be 100% of the price of the stay.

If you have booked your stay with a special offer and you cancel more than 60 days before your arrival, the cancellation fee will be €75. If you cancel between 59 and 46 days before your arrival, the fee will be 50% of the price of the stay, if you cancel 45 days or less than before your arrival, the fee will be 100% of the price of the stay.

If you have taken advantage of the FLASH offer, 100% of the total amount of the stay will be requested at the time of confirmation. The booking will then be non-refundable and non-changeable.

Furthermore, please note that Chalet des Neiges will not be required to refund all or part of the stay to the tenant, in case of reduction in the length of the intended stay, for whatever reason. The cancellation insurance subscribed through Chalet des Neiges or the personal insurance of the tenant may apply in that case.

- **Changes of your stay once confirmed**

One of your children who breaks his arm, the children who finally decide to come with their friends, a wish to arrive one day earlier or to leave one day later? The Chalet des Neiges' team is always understanding and will always do its best to offer you the possibility to adapt your stay, according to your requirements. Therefore it will be possible to offer you an upgrade, an early arrival, a late departure, if the planning enables it. Those changes will be done without any fees (other than the difference in the price due). Please do not hesitate to contact the booking department in order to solve these little changes, for which we will probably find a solution.

- **Ski passes, ski equipment and ski lessons**

Chalet des Neiges takes care of everything! On request, we can book your ski passes, at competitive rates (depending on your dates of stay). You will collect them upon your arrival, at the residence reception, when you will be given

the keys of the apartment. You also have the possibility to order ski lessons with the French Ski School (ESF), through us (without discount). Those orders will have to be placed at the latest, 10 days before your arrival. Regarding ski equipment, we will send you the link of our partners and the discount code you will have to indicate to benefit from the special rate applied for all the Chalet des Neiges customers.

- **Tourist taxes**

The tourist taxes are not included in the price of the accommodation. They will be added at the moment of your stay and will have to be paid on site, according to the number of participants. They are established by the municipality and depend on the classification of the residence.

- **Length of the stay**

The stays at Chalet des Neiges are from Saturday to Saturday, whatever residence you are staying in. During low season, and depending on the availabilities, we offer stays with an arrival on a different day of the week or short stays (of 3 nights minimum). During high season, the apartments are rented from Saturday to Saturday. It is possible to arrive on a different day, on Sunday for example, but there will not be any change on the price of the stay. If you wish to arrive on Friday, if we do have availability, the extra night will be invoiced (by prorating the weekly rate).

- **How to communicate with Chalet des Neiges?**

Throughout the booking process and until your arrival on site, you will be connected to the Booking Department. All the exchanges are made by email or by telephone. Chalet des Neiges does not send any document by post. The Booking Department will be in charge of communicating all the important information (such as services added, exposure of the apartment...) to the receptions of the residences, in order to ensure that you have a pleasant stay.

## ***IN THE MOUNTAINS, BE PREPARED!***

You are about to reach the resort where you will spend an excellent holiday. Keep in mind that the weather in the mountains is very changing. Therefore, whatever weather is announced the day of your departure, do not leave equipment, which might be essential, at home: snow chains will necessarily have to be part of your luggage. Organize them so they can be used quickly and make sure that you also have water and gloves. Specific chaining areas will be available all along the way to the resorts. Please note that equipment very easy to use and which do not require much space exist. We would advise you to check with a garage.

We draw your attention on the fact that **the access to the resorts is often forbidden by the police, to the cars which are not equipped with snow tyres and/or snow chains.**

## THE RESORT

### THE RESORT

**Height:** 3200 metres

**Atmosphere:** To summarize, Val Thorens is the highest resort of Europe among the largest ski area in the world. Ideal for skiers who are thrill-seeking, the resort of Val Thorens is also a resort that young people appreciate, where the après-ski is favored. It is an international resort where shopping, night life and a famous ski area await you, and it is lively, as many events are organized throughout the winter season. However, the resort offers snow activities for non-skiers and it is not recommended to young children, due to its height.
